

Gabrielle is a pure product of Maître Sebastiani's instruction since 1994. She was introduced to the classical French style of fencing, which incorporates knowledge,

precision, serious study and psychology rather than techniques designed for illusory, quick results. She believes in long and attentive study, which is required by Maître Sebastiani. Gabrielle is an Academy Instructor known for her outstanding pedagogy with young boys and girls keeping in mind technical precision and harmony of movements.

Olympic Coach Michel Sebastiani holds an MS degree in Physical Education from the National Institute of Sports of Paris. He is a graduate of the Ecole Superieure

d'Escrime of the National Institute of Sports and has earned a Maîtrise d'Escrime (Fencing Master) M.A. from this prestigious institution.
