

*What is the difference between the 3 weapons?*

Epee and foil are thrust weapons, saber is both cut and thrust

*Is it possible to try before registering for the program?*

Yes, you may take a trial lesson with an instructor.

*Do I need to learn all 3?*

Usually, a fencer specializes in 1 weapon, sometimes 2, but it is up to each fencer to decide.

*Is it possible to enroll at any time during the year?*

Yes, one can join a class of his/her level and age group any time during the year.

*How do I clean my equipment?*

All your whites are washable in warm water and soap, the mask must be soaked in hot water and soap.

*I have fenced before, how can I make sure I am fit for a certain level?*

We can evaluate your level. Visit our website home page and request a Trial by filling up the Trial request form.

*How many students are there in a class?*

The average number of students is 10 per class.

*Can I make-up my class if I miss it?*

Yes, refer to the SFA policy in our lobby or on your child's portal.

*May I switch weapons at some point?*

Yes, the fundamentals are the same in all 3 so you will have a solid knowledge of the sport to switch to the other weapon.

*When can I start competing?*

In general after 1 year
